Powerful • Productive • Promising

Welcome

Dear HEREFORD Friends,

Welcome to our 22nd sale!! Come join us as we celebrate another year of hard work and dedication to the Hereford breed. We look forward to having breeders evaluate our cattle.

Our genetics have been widely accepted all across the country. We believe in using all the available tools, ultrasound data, genomic enhanced EPDs, embryo transfer and visual appraisal, to make our Herefords better.

We invite everyone to come early on Sunday and view the cattle. We will be having our traditional country dinner and entertainment starting at 5:30 p.m.

Be sure to check our website for sale updates, www.walkerherefordfarm.com. If we can assist in any way don't hesitate to contact us via phone, text or email.

See you Labor Day,

Eric Walker

Ken Smith, a tribute.

We've lost a great one. That about sums it up. There wasn't a better person on this earth than Ken Smith.

Ken had been a part of our extended family for many years and it is with great sadness that we mourn his passing.

Ken bought his first polled Herefords at our auction in 2016 and as we soon found out, he didn't do anything without jumping in with both feet. Over the next three and a half years, Ken built a significant herd and established his farm and his brand, Friendly Acres Farm, here in Morrison, Tenn.

He enjoyed being around his cattle and said there was something very peaceful and relaxing about just sitting and watching the herd.

We are proud to have been Ken's neighbors, partners and friends, and it pleases us to know that his children and grandchildren will be carrying on his legacy, both as a cattleman and as a wonderful person.

Farewell Ken.

We thank you for having been a part of our lives.
