• I couldn't think of a better place to start the 2024 Foundations for the Future. This elite donor will be one of the most powerful proven donors to sell this fall. This easy fleshing, heavy milking daughter of breed changer F Final Test 722 represents what we are striving to produce. 9244 progeny were a highlight of last year's sale where her Arsenal daughter commanded \$10,000 selling to Tennessee River Music. We admire the capacity, udder and functionality this cow represents. 9244 has been a very consistent embryo producer. We have a large bank of embryos and will have ET calves this Fall. A son will be featured in our Bull Sale in February 2025. Jump on board of the proven producer! As a bonus she is carrying a HEIFER pregnancy by Churchill Equity 3316L ET.

- Ranks in the top 10% of the breed for 11 traits.
- Serviced AI to Churchill Equity 3316L ET on 4/12/24. Safe in calf. Ultrasound heifer pregnancy.
- Owned with Shaw Cattle Co. Caldwell, ID

- 3242 reminds us of what her mother did as a calf. Sired by our resident herd sire Daybreak 9175. Long made female with excellent structure and color pattern. We think this is a big-time cow prospect. This female will take any serious producer to the next level.
- Homozygous Polled!
- Sells Open.

- Sale Feature Herd Bull! We can't say enough about what Incentive has done for our program. 0423 stamps his progeny boosting genomics in the right direction along with adding pigment and quality to his offspring. 0423 is a long, deep sided son of Endure. His dam 799E has been one of our all-time great producing donor cows. If you're looking to add performance, pigment and prestige to your herd this is the one to latch on too. Check out his progeny selling, and his calves has been highly sought after in our past sales.
- A daughter pictured above was a top seller in our 2023 sale to GKBC Cattle, TX.
- 0423 is in the top 1% of the Hereford population for REA.
- Selling 1/2 interest full possession.

- Big time donor in the program the past few years, this powerfully made 4013 daughter flat gets it done. 7233 stamps her progeny with consistency and quality. This special donor has progeny working at Lamb Bros, Dry Creek Farms and Burns Farms. 7233 is super fertile and produces tons of high-quality embryos allowing us to offer this donor in the prime of her life.
- **ADDED BONUS: Sells with four frozen embryos, two sired by KCF Bennett Dominion K510 and two sired by L III EFBEEF Tall Grass 2017.**
- Serviced AI to JW 1857 Merit 21134 on 2/15/23, then pasture exposed to DVOR 619G 933 Explorer 110J from 2/20/24 to 8/1/24.
- Safe in calf. Believed to be AI.

- 1225 is the prime example of the daughters we were hoping our herd sire 8474 would sire. This gorgeous, uddered female has added length, pigment and overall maternal ability. I think any progressive cattleman would take a pasture full just like this one, top notch young cow here.
- The dam of 1225 is a donor at Flat Creek Farms, MS.
- Serviced AI to Church Equity 3316L ET 3/27/24, then pastured exposed to DVOR 619G 933 Explorer 110J from 4/15/24 to 8/1/24.
- Safe in calf. Believed to be AI.

- Eric kept telling me all spring he had a Guardian heifer he believed that would show and boy was he right. We believe this female deserves a show halter. Sleek necked, big boned, stout hiped with tons of capacity. Don't sleep on this females EPD profile as she comes to us with big growth numbers with added REA and Milk. Don't sleep on this one.
- Sells Open.

- As a commitment to offer the best we have, we felt that this female out of 4013 is a prime example of what we're trying to achieve as young Hereford breeders. 201 is stout, functional, and the easy keeping kind! If that's not enough for you, look at the big heifer calf she's raising as a 2-year-old! Don't overlook this foundation for your future.
- Pasture exposed to WLKR JH Incentive 799E 0423 ET from 4/20/24 to 8/20/24.
- Safe in calf.

- 975G is a favorite of many visitors. This goggle red eyed donor is hard to fault. She has a tremendous heifer calf at foot. We flushed her one time this spring and produced 11 good embryos. She is an easy keeper that milks extremely well. Here's one to buy to take your program to a new level. Dam of 975G is working Nick Rippy and family over in Shelbyville, TN.
- Serviced AI to Churchill Equity 3316L ET on 4/12/24, then pasture exposed to WLKR JH Incentive 799E 0423 ET from 4/20/24 to 8/20/24.
- Safe in calf. Believed to be AI.

- We decided to go all in for the 2024 sale! 2510 is sired by the popular Churchill Desperado 029H. Her dam needs no introduction being the famous Carcass Queen 333. We are retaining her heifer calf side sired by 1147J. We don't often offer 2-year-olds, so take advantage of this special opportunity.
- Serviced AI to WALKER Full Circle 3511 ET on 5/13/24, then pasture exposed to WLKR JH Incentive 799E 0423 ET from 5/17/24 to 8/20/24.
- Safe in calf. Believed to be AI.

- Another 2-year-old from the Carcass Queen 333! Her sire Bar Star Fresh Prince 018 was the talk of the barn at the inaugural Cattlemen's Congress! 2514 is not the biggest lady in the sale, but she is showing tremendous calf raising ability. A full sister is at JWS Land and Cattle, AL.
- Whoever is the winning bidder will be ahead of the curve by adding this female to their herd. We are retaining her heifer calf side sired by 1147J.
- Pasture exposed to WLKR JH Incentive 799E 0423 ET from 4/20/24 to 8/20/24. Safe in calf.

- DONOR ALERT! 043H is a daughter of our all-time favorite P606 daughter Snowshoe Perfect Miss W19. She is a maternal sister to Walker Author X51 W19 332. All visitors fall in love with this goggle red eyed cow that has tremendous milk flow and performance. We have several pregnancies due in the Spring 2025 and her heifer calf at side will be the piece to carry on the W19 family at the /W! Retaining heifer calf at side sired by 1324.
- Serviced AI to WALKER Full Circle 3511 ET on 5/13/24, then pasture exposed to WLKR JH Incentive 799E 0423 ET from 5/17/24 to 8/20/24.
- Safe in calf. Believed to be AI.

- We wanted to offer our best and newest genetics to the public. I couldn't think of a better mating. 2702 was our selection out of GKB this past winter. Elite phenotype with all the bells and whistles, dark red eyes, big spread from birth to yearling with ample amount of carcass merit.
- Sire of this mating is the popular Stellpflug Gunsmoke. Gunsmoke was the \$40,000 selection by Brumley Farms in Nevada from Stellpflug Cattle Company. We felt the combination of 2702 and Gunsmoke complemented each other very well. Be the first to acquire genetics out of 2702 as this will be her first progeny to be born. Opportunity is knocking.
- Recipient ID #1367.

IN LOVING MEMORY OF BETTY WALKER

*Those we love don't go away;
they walk beside us every day.
Unseen, unheard, but always
near, still loved still missed
and forever dear.*

SALE INFORMATION

SPECIAL THANKS TO THESE SALE SPONSORS:

zoetis

VITAFERM

TERMS AND CONDITIONS

1. Terms are check, credit card or cash. Each animal to be sold to the highest bidder. The auctioneer shall settle any dispute as to bids.
2. All cattle are to be paid for by the purchasers during or immediately after the sale.
3. Each animal will be at purchaser's risk immediately after the animal is sold. They will be fed and cared for free of charge for a reasonable length of time after the sale, but at the purchaser's risk (buyer can have them insured against this risk at a nominal rate) and will be turned over to the buyer or shipped as he may direct.
4. Registration Certificates: The animals will be transferred to the buyer at the seller's expense. Cattle will not be transferred until paid in full. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale are to be registered by the seller. All born after the sale to be registered by the purchaser. Proper breeding statements will be signed by the seller for the buyer to use in registering calves born after the sale. The purchaser will be responsible for obtaining AI certificates to register resulting calves from females carrying the service of non-owned bulls.
5. Breeding Guarantee: Animals sold in this sale are guaranteed by the owners to be breeders, provided they are properly handled and cared for by the purchaser. If any fail to breed, the seller must be notified by March 7, 2025. Otherwise, the animal is no longer guaranteed in any way. If the animal is in sound, healthy condition, the buyer may return it to the seller who shall have six months to test it and then, if the animal proves to be a non-breeder, a satisfactory exchange will be made or purchase price refunded. Every known blemish will be called before it is sold and no animal will knowingly be sold that is not sound in every way. Any changes in breeding dates will be announced sale day. Announcements from the auction box will take precedence over information printed in this catalog.
6. Any female selling with calf at side is considered to be a breeder with no further guarantee in this regard.
7. Health: Cattle may be shipped into any state. All heifer calves have been calfhood vaccinated. The Walker cow herd is certified Brucellosis free. #662211
8. Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.
9. All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise, for any accidents that may occur.
10. EPDs listed in the catalog were current as of July 15, 2024. Visit HerefordsOnDemand.com to view and search Live EPDs.

****We gladly accept American Express, Discover, Mastercard and Visa.**
